The Public Practice is a licensed reseller of Australian Bureau of Statistics (ABS) data. Copyright of all ABS Census data is owned by the Commonwealth of Australia, and is administered by the ABS. Permission requests and enquiries concerning reproduction and rights in the data should be addressed to [intermediary\\_management@abs.gov.au](mailto:intermediary_management@abs.gov.au). For more information, go to [http://www.publicpractice.com.au/technical\\_support.htm](http://www.publicpractice.com.au/technical_support.htm). Subject to this, The Public Practice retains copyright of all Community Planning Tools. This includes, but is not limited to all programs, software, code, analysis, text, tables, graphs and product design.

The Public Practice grants to the customer a non-exclusive right to reproduce any analysis, text, tables or graphs written or created by The Public Practice in any Community Planning Tool that the customer purchases, provided that in any publication, the source is acknowledged. If the customer sells any reproduction of a Community Planning Tool, or any document containing significant extracts from a Community Planning Tool, whether by printed or electronic media, the customer shall pay The Public Practice a royalty of 10% of sale price or as otherwise agreed.

While all due care is taken in preparing all Community Planning Tools, The Public Practice excludes to the extent permitted by law, all liability for any loss or damage of any kind whether arising in contract or in tort by reason of the acquisition, reproduction or use of any Public Practice Community Planning Tool or data or part thereof. The Public Practice excludes all liability to any person other than the customer, and if the customer reproduces any part of any Community Planning Tool of The Public Practice, the customer shall indemnify The Public Practice for any liability or cause of action, which thereby arises. Any person or organisation making decisions based on data or text on any Public Practice Community Planning Tool is advised to verify all relevant data using original publications of the data and to independently verify any statistical manipulations or conclusions contained or implied in any Public Practice Community Planning Tool.
